THE DRAGON

Junction City High

Junction City, Ark.-La.

Through the years our student body has suffered many losses of one kind or another. This past year we have sustained three tragic losses - one recently retired faculty member and two recent alumni. It has often been said that we grow from each experience in life. If this be true, we can only feel a greater appreciation for life and reverent respect for death. The Scriptures tell us that "the Lord giveth and the Lord taketh away." We have no promise that our years here will be long or short, as evidenced here. We might pause to take a more detailed inventory of our own lives over the past twelve years. Would others be able to say of us that our lives have been fruitful and understanding? In our quest for knowledge, as we mature, we desire to be loved and admired as these three persons.

Mrs. Ruth Cullins, retired after 24 years of service was the wife of W. W. Cullins. She had taught in Junction City schools for the past 19 years. Mrs. Cullins died on October 9, 1968, after a lengthy illness. The values she instilled in us will, truly, have a lasting effect on our lives.

As our thoughts stray to Sandra Bailey, we can recall the vitality she possessed in her approach to life. There were few dull moments in her company. Sandra had just finished a 2-year secretarial course at Southern State College. An unfortunate accident claimed Sandra's life on July 17, 1968. She was the oldest daughter of Mr. and Mrs. H. E. Bailey, Rt. 1, Junction City.

John Christian will always hold a very special place in our memories. He was truly a friend to all. His abilities of leadership, unparalleled energy and devoted school spirit made him great in our sights. John was attending Southern State College. He was the son of Mr. and Mrs. Bill Christian, Rt. 2, Junction City. John was killed in an automobile accident on November 15, 1968.

In final tribute to these persons, we feel we have profited much from having been associated with them through the years. Thanks be for the privilege.

"These are the happiest days of your life." How often we high school students hear these words. We cannot deny that these words do hold some truth. We are young and can share the problems of growing up. We are learning to accept responsibility, but we know we are always able to ask for guidance and assistance from our elders.

It is very fitting that these happy days should be preserved in "The Dragon." The words and pictures have a special meaning for each of us for we are all a part of them. The pleasant memories shared by students of Junction City High School are found in these pages. The worth of "The Dragon" will grow with each passing year.

Alma Mater

J. C. High, our Alma Mater, to thee our toasts we raise, with loyal hearts and open minds we sing our songs of praise. Her buildings stately round us stand, a memory we hold dear. With love and hope we make our pledge, to Junction, our Alma Mater.

The boys in purple and in gold, they keep our spirits high, they, too, have pledged allegiance to keep her banners high. They love her halls, her grounds, and to her standards they'll be true, forever more they sing their praise, to Junction, their Alma Mater.

JUNCTION CITY (Special)-In a spectacular Homecoming showing here Friday night, the Dragons seared the Norphlet Leopards, 23-0.

Showing outstanding defense work for the Dragons were Mike Morton, John Ed Brown, Danny George and Larry Carter. On defense play, Tommy Williams piled up 157 yards running.

The Dragons now wear the crown of Class B County Champs and hold a record of 5-1-1. In District 8 standings, Junction City sports 3-1.

Junction City held the Leopards to only five first downs in the game. The fallen Leopards were unable to cross the 50-yard line

Hall put the third score on the board by kicking a 23-yard field goal—also in the third quarter.

The folks at Lion Oil Company like to think of their home state as "Lion Country". But they'll tell you the climate is mighty favorable for all industrial development.

Beauregard T. Lion, the famous television character, invites you to come to Arkansas and grow.

And when you need gasoline, lubricants or other petroleum products, just call your friendly Lion Oil Dealer, Jobber or Distributor. He can become a valuable member of your growth team.

Wherever you go in Lion Country—

Go with Beau!

The Class of '69 that Started in '57

Our Class History

Some classes have been known for their outstanding scholastic ability, sportsmanship, and music but ours was known for our great ability to talk. By the fourth grade we were so well known for our mouths that Miss Burgess officially named "The Talkers."

Beginning in the 1st grade and going all through school together were: Ernest Bates, Barbara Booth, Barbara Cook, Phillip Cottrell, Jan Dumas, Sherry Franques, Laurel Galbraith, Bruce Graves, Patricia Hall, Kevin Hux, Martha Jackson, Mike McKnight, Paula Muse, Joann Peace, Mike Pepper, James Primm, Dennis Thurmon, Kathey Tucker, David Washam, Diane New Wilson, and Tommy Wilson.

After midterm of our 1st grade Linda Peace came to Junction City and added greatly to our host of mouths.

John Ed "Jed" Brown moved here from Shreveport, La. during our 2nd year and Charles Pepper began the 3rd grade with us.

Roger Morris, Johnny Sweet, and Danny George joined us in the 4th grade (since then there has never been a dull moment.)

In the 5th grade, Gail Rotton moved here from El Dorado. She was a quiet, shy girl for a while but she quickly caught on to our ways. Betty Bates joined us in the 6th grade and Mary Capps, Wesley Bradford and Judd Morgan joined our class during Junior High.

Tom Williams from Hawaii, Kent Brantley, Tommy Ferrell, Tom Johnson, Ronnie Van Schoubroek, moved to Junction City to begin high school. (We've finally gotten Tom to like wearing shoes.)

Rodney Barnette, after graduation from Union Jr. High, came to Junction in the 10th grade. Roger Morton moved from North Dakota in the 11th grade.

Janice Hux came back to school and was the last addition to our class.

Throughout these years we have had many golden memories

Remember how Particia used to tie Sherry's hair in knots during rest period and she used to pull Linda Peace's hair because she didn't like her when we were in the 1st grade.

Some of us will all remember the day Barbara, Paula, Sherry, Gail, Laurel, Jan, and Patricia were playing on the 4th grade slide (they were in the 6th grade). Sherry broke her thumb but the rest of us got into trouble for being in the wrong place at the wrong time!

Our Junior high years were rich with memories also, remember those so called "love chains" everyone made from gum wrappers in the 7th grade?

There were some boys, Mike, David, Danny, and Johnny, who always tried to sneak back into Mr. Hooker's room to hide during P.E. All was well for them until Mrs. Waller saw them climbing out the window to hide when they saw Mr. Hooker coming. (Ow! Those poor boys.)

Remember our girls track team that beat the boys track team in the 7th grade! No one can ever forget the day Mrs. Farrar's door got stuck. Ernest Ray and Mr. Hooker had to take it down so the 8th grade girls could get out of class.

Like all of the classes we had our romances: Kathy and Steve, Gail and Melvin, Sherry and Jed, Paula and Danny, Ouida and Johnny, Betty and Johnny, Barbara and David, Linda and Mike B., and Patricia and Steve. Then every once in a while we would all switch. (We never were the ones for anything permanent.)

Through the years to come we will all probably have many experiences both good and bad, but we will all remember our happy days and friends at "good ole" Junction City High School.
